QUEST FOR GROWTH

Privak, fixed capital investment company established under Belgian Law

Leuven, October 24, 2014

On Tuesday, the board of directors of Quest for Growth appointed Lieve Verplancke as an independent director.

For many years, Dr Verplancke was in charge of Bristol-Myers Squibb in Belgium. Prior to that, she also worked at Merck and GSK. She was a founder of the Qaly@Beersel senior citizens' campus and an executive coach specialising in the issue of burn-out. She has also sat on the board of directors of the Europe Hospitals in Brussels.

The Quest for Growth board are delighted that Lieve has agreed to accept this role as an independent director. She has the knowledge and the relevant experience to contribute to success of Quest for Growth immediately.

About Quest for Growth

QUEST FOR GROWTH, Privak, Undertaking for Collective Investment with fixed capital under Belgian Law. The diversified portfolio of Quest for Growth is for the most part invested in growth companies listed on European stock exchanges, in European unquoted companies and in venture capital funds. Quest for Growth focuses on innovative companies in sectors such as information- and communication technology (ICT), technology for life sciences (Health-tech) and clean technology (Cleantech). Quest for Growth has been listed on Euronext Brussels since September 23rd 1998. (www.questforgrowth.com)
